Your membership investment is subject to review by the Association's Membership Committee and to final approval by the Board of Directors. Dues investments in the Minnesota Resort & Campground Association (MRCA) are not tax deductible as charitable contributions for income tax purposes, but may be tax deductible as ordinary and necessary business expenses subject to restrictions imposed as a result of association lobbying activities. The MRCA estimates that the nondeductible portion of your dues allocable to lobbying is 17%. Contributions to the HMEF are tax deductible in full as charitable contributions for income tax purposes.

Please check the boxes for the MRCA member services for which you would like more information.
